Welcome to Lingfield Running Club

Attempts to start a running club in Lingfield go back to June 1895 (when it was to be called the Lingfield Cycling and Athletics Club) and, in March 1902, the village even hosted the English National Cross-Country Championships. The current Club was founded in 1983, and now has about 160 members, many of them also members of England Athletics.

This booklet contains information about the club, our activities and the benefits available to Lingfield runners. We have various friendly club competitions throughout the year, many of them handicaps, giving more runners the chance of crossing the line in first place! During the winter there are several Head Torch Runs.

We are based at the Victoria Sports & Social Club on Lingfield High Street, and we meet there every Tuesday and Thursday evening at 7pm, and Saturday mornings (9am or 10am), whatever the weather!

The Club is run by a committee elected at the AGM, which is held every April. The Committee is responsible for the organisation and running of the club, and arranges some events, but everyone in the club is encouraged to get involved by helping the club to organise fun runs, social events and generate new ideas to get members participating in activities. Doing so helps to make you eligible for the annual ballot for the club's London Marathon place.

The 2022/23 Committee consists of:

| | | | |
|---------------------------------------|---|----------------------------------|---|
| Scott McDonald (Chair) |  | Fiona Brown (Ladies' captain) | |
| Gary Spring (Membership Secretary) |  | Dave Watkins (Men's captain) |  |
| Graeme Bennett (Secretary) |  | Tom Cartledge (Treasurer) | |
| <u>Other club officers</u> | | | |
| Kath Garrido (President) |  | Dee De Luca (Social Secretary) |  |

We add the minutes of Committee and Annual General meetings to our website, so you can keep up to date on club developments and raise matters with committee members if you need to. If you have any ideas or concerns, please email secretary@lingfieldrunningclub.co.uk.

We have a separate committee responsible for organising the annual Lingfield 10s (10 mile and 10k multi-terrain races previously known as the Dry Hill 10 and Greathed Gallop). Many members organise Sunday and midweek runs, social events and help with parkrun marshalling.

As a club we compete in several competitions throughout the year including the Surrey Cross Country League (men's and women's teams) and Surrey Summer Road League. Every member entering these races gets points for the club as part of a league competition.

Remember if you are competing for Lingfield in an event under UKA rules, you should also be a member of England Athletics and wear official club kit (i.e., race vest or t-shirt). You can buy these by emailing vests@lingfieldrunningclub.co.uk. There are also club hoodies which you can buy direct from paul@pbteamwear.co.uk or on 01709 519101.

As a club, we receive a guaranteed club place each year in the London marathon, which we allocate via a ballot for members who did not get a place in the event.

We have a website www.lingfieldrunningclub.co.uk with up-to-date details of the club's events and a Facebook page [Friends of Lingfield Running Club](#) with a link to the Race calendar. This is where you will find a list of the most popular events in the local area, details about coaching sessions and other future events.

Links with England Athletics

When you become a member of, or renew, your membership with Lingfield Running Club, you can also choose to register as a member of England Athletics (N.B. you must register with England Athletics if you ever compete for the club under the UKA rulebook). England Athletics will contact you to invite you to sign into and update your myPortal (which, among other things, allows you to set and amend your privacy settings). If you have any questions about the continuing privacy of your personal data when it is shared with England Athletics, please contact dataprotection@englandathletics.org. We do encourage members to join EA – for example, you cannot compete in the Surrey Cross Country League unless you are a member. We give full details of the benefits of EA membership on page 11 below.

Lingfield Running Club newsletter

We add your email address to the mailing list when we accept your membership application and will send you a newsletter, usually every Wednesday afternoon.

We wish you every success running with the club. If you have any questions or ideas, or are able to help with activities such as training, marshalling at races etc. please speak to any of the members at club night or email enquiry@lingfieldrunningclub.co.uk.

Club activities

We have mixed groups to cater for all abilities. Whether you are a seasoned marathon veteran, just want to get in shape, are training for your first 5k, or hate running on your own, you will be welcome at the club.

Club Nights

Tuesday and Thursday evenings are the main club nights. Runners join groups dependent on ability and each group decides where it wants to go, and at what pace. Runs are generally between 5 and 8 miles and can last between 60 and 90 minutes. Winter runs take place on the village roads and summer runs are a mix of road and cross-country trails.

We have members with Leader and/or Coach in Running Fitness qualifications from England Athletics. They will, from time to time, organise more structured hill or speedwork sessions. These sessions are NOT just for the faster runners, they are a great way for every level of runner to improve their endurance and speed, and all are welcome.

Most Wednesday evenings also see shorter, speedwork sessions run winter and summer either on a well-lit and quiet road near the village, or other locations such as East Grinstead and Forest Row.

Couch to 5K Courses

For people new to running, we organise C25K courses which are open to new and returning runners of all fitness levels. This LRC course will train members from absolutely nothing to 5 km over ten weeks, and finish with encouraging all the runners to participate in a 5k parkrun. They are run by our trained coaches. For the latest details, check the [LRC website](#).

parkrun

In addition to the above, we also recognise the popularity of Saturday morning parkruns, and Lingfield runners can be found far and wide, with their results reported in the club's weekly newsletter. Lingfield runners also volunteer at the East Grinstead parkrun each week, and the club 'takes over' the organisation of one parkrun each year. This is now the East Grinstead event at East Court.

Impromptu runs

As well as the regular club runs, there are often others organised by other club members via our Facebook page, and open to all. These runs give an opportunity to enjoy the countryside around Lingfield, East Grinstead and the Ashdown Forest (sometimes all three in one run) making use of footpaths and cross-country tracks.

Races we organise

For many years, Lingfield Running Club organised annual 10 mile and 5-mile races, known as the Dry Hill 10 and the Greathed Gallop 5, held early in September. These races attracted between 100-200 runners, but numbers had declined.

In 2018, we changed this format to a 10 mile and a 10k event, starting from Lingfield College, on St Piers Lane, held in late June/early July. These events are known now as the [Lingfield 10s](#). We rely on club members (and family) helping, either by marshalling or assisting at the start and finish.

Social events

Lingfield Running Club has an active social side, with various events taking place throughout the year. These have included country dancing, pasta parties, curry nights and a monthly team entry in the local pub quiz at 'The Star' in Lingfield.

Junior Section

At present the club does not have a junior section. The minimum age to join the club is 18.

Changing and showers

There is a disabled toilet in the Victoria Club, which runners are allowed to use for changing before and after each run, if needed. The club does not have access to showers.

NB: Membership of the Victoria Club is included in the running club annual membership fee, so we encourage members to use the Victoria Club (including the car park and bar) on a regular basis.

Contact Details

If you would like further details about our club, or if you are a beginner and want to know how to become involved, you can email us at enquiry@lingfieldrunningclub.co.uk

Alternatively, come along to the Victoria Club on a club night, and speak to any of our members.

Club Trophy Races

The club has 15 trophies, which are awarded/competed for annually.

10k Championship Trophy

A trophy each for Men and Ladies which was awarded to the first Lingfield runners across the line at the Brighton 10k in November. In 2021 Brighton cancelled, so we used the East Grinstead 10k instead.

The best of 10 chosen from 15 events each calendar year. The points are added up and the runner with the most points wins! First home 20 points, 2nd 19 points, 3rd 18 points etc. Every runner receives one point. Exact dates for each year can be found on the club calendar of races and on the club website.

Trevor's Handicap Grand Prix Trophy

Men's and Ladies' Captains' trophies

Awarded at the AGM by the team captains to the runners who the captains feel have made a significant contribution to the club in a variety of ways during the past year. This may be through representing the club by regular participation in races, it may be through organising club events, through achieving something particularly significant or through raising the profile of the club externally.

Christmas handicap trophy

The first across the line in the Christmas Handicap receives a trophy in memory of Matt Bennett (1998-2018), a former winner of this popular event.

The President's trophy

Awarded annually at the AGM, at the President's discretion.

Guidelines for safe running

From time to time, even the most experienced runners can get lost, lose touch with their group or fall and injure themselves.

As a club, we try to welcome new members to any club sessions and (thanks to Trevor in particular) ensure they go out with runners of a similar ability, who know the routes well enough to get them home safely. So, if you are with new runners, please ensure they don't get left behind or (and it has happened) go so far off in front of you that they take the wrong route.

But the England Athletics code of conduct reminds us that we should all anticipate and be responsible for our own needs ... including being organised, having the appropriate equipment (and being on time).

So, what would your running partners do if you did faint or trip? How would they know who to contact in case of emergency (apart from the ambulance, of course)? Well, you could carry identification. For example, the Road Runners Club of America suggests you write your name, phone number, and blood type on the inside sole of your running shoe, as well as any medical information. Make others aware in a brief chat at the start of the run.

This is all advice, we can't force you to do anything you don't want to, but please try to;

- Ensure your group has at least one mobile phone with it, particularly if running alone or in pairs.
- Carry an ID tag of some sort with emergency (ICE) contact details.
- Give other runners at the club a rough idea of the route you expect to run.
- At night/dusk always wear Hi Viz/reflective clothing and have suitable torch.

There are many ID tags and wristbands available. If you are registered with parkrun they have some very competitive prices, which will of course also display your bar code for your actual parkruns.

<http://www.parkrun-barcode.org.uk/parkrun-wristbands-ra3.aspx> £13.98

<https://www.parkrun-barcode.org.uk/parkrun-barcodes-ra1.aspx> £4.26

parkrun also has credit card sized IDs for £3.96 (get one combined with the 3 pack above for £6.96. All parkrun prices include VAT and delivery).

parkrun Barcode Dual Pack

- parkrun TAG and Card barcode ID Pack
- Printed ICE Telephone Number
- Printed Information including Specific Medical

£6.96 includes VAT & UK delivery

Other safe running and good practice tips

Although many of our sessions are led by run leaders, and we have purchased a defibrillator for club use, please bear in mind that all members declare themselves medically fit to run at their own risk and shall not hold the club responsible for any incident occurring through a personal medical condition or injury that may affect their running.

Many of our club sessions take place on the streets of, and public footpaths around, Lingfield used by members of the public. Please bear this in mind at all times and give priority to pedestrians. We also want to ensure the club has no negative impact on the local area, which means never leaving litter behind and ensuring we don't cause any damage or nuisance during our training sessions.

General advice

Here are a few dos and don'ts when running.

1. Be aware of other runners

Don't be intimidated by runners who are quicker than you or seem to think they are better than you. You have just as much right to be there. On the other hand, other runners, especially quicker ones will get frustrated if you don't pay attention and show consideration to everybody else.

2. Don't stop suddenly

When running, never stop suddenly, except in dire emergency, otherwise a runner behind may crash into you. Take a few metres to slow down and be aware that runners following might be continuing, so get out of their way carefully. Always pay attention to runners around you when you are starting and stopping.

3. Passing runners

If you are in front of a fast runner and you hear them approaching from behind, DO NOT try to get out of their way. Doing this will end up with you moving directly into their path and you will collide. They can see you; you can't see them. Just hold your line and they will go around. Sometimes they will yell things like "on the left" or "on the right" or "passing" to indicate they are about to pass. Just hold your line and let them get around you.

4. Can I run with headphones?

If you must, then please only use bone headphones. Be very aware of possibly not hearing approaching vehicles or road/trail users and using headphones may put you in danger of injuring other runners as well as yourself. Most races prohibit the use of any type of headphone.

5. Road running conduct

- Use the pavement or footpath where there is one.
- Run in single file on the right-hand side of the road where there is no pavement or footpath.
- On sharp right-hand bends it is recommended to cross over well before the bend (when safe to do so) and return to face oncoming traffic after the bend.
- Always be aware of other road users and any traffic build-up that you or your group may be causing. It may be safer to stop and allow vehicles to pass.

Thank you, run safely and have fun.

England Athletics Affiliation

What is Affiliation?

The sport of athletics has a central body called UK Athletics who set the rules and standards for all affiliated athletic bodies including running clubs such as Lingfield RC. It ensures that minimum standards are set for the organisation, safety and medical cover at road races. Its headquarters is in Birmingham and all the affiliation fees for LRC members are sent there.

Why affiliate?

As an EA registered athlete you can access a number of benefits:

- **Entry** to events **exclusively** available to registered athletes - under UKA Rules for Competition many competitions are only open to registered athletes*.
- **Entry discounts** (minimum £2) on UKA licensed road and multi-terrain events. For example, if you entered our Lingfield 10 race in 2022, the entry fee for affiliated members is £18 and for all unattached runners it is £20.
- Access to key information on the sport, including opportunities available to registered athletes. Ensure your email address and mailing preferences are up to date by logging in to [England Athletics.org](https://www.englandathletics.org) and click myAthletics portal.
- The ability to **have a say** on how the sport is run and funded in a way that reflects your fundamental importance to the sport
- **Early bird** ticket opportunities for major athletics events
- **Exclusive offers** - EA works with partners including **DW Fitness First, Enertor, Running Imp, Kukri, Runderwear, AfterShokz, Racefully, Track & Field Tours, CanO water, Athletics Weekly, Strava and Sports Tours International** to provide registered athletes with exclusive offers and vouchers for money off.
Some of these can be accessed via the benefits page at [England Athletics.org](https://www.englandathletics.org). Others are sent via the monthly partner offers mailout – The Edge - so ensure your contact details are up to date and you have opted to receive information!
- Running clubs receive guaranteed London Marathon entries depending on the number of EA registered athletes they have.

* *for competitive races, all Clubs and Runners must be registered with England Athletics.*

EA Training Courses

England Athletics organise numerous athletic courses, including the first level training course 'Leadership in Running Fitness'. Further coaching courses are also available for those who want to progress the qualifications to a higher level. Currently there are seven Lingfield members qualified to provide coaching in the club. Email secretary@lingfieldrunningclub.co.uk if you're interested.
