Trevor's Racing Roundup

Hello everyone.

A decent attendance of 30 at last Saturday's parkruns, at 13 locations: East Grinstead (8), Bushy (1), Clair (1), Lloyd Park (1), Maidstone (1), Mole Valley (1), Norwich (1), Osterley (2), Oxford (1), Rushmoor (1), Squerryes Winery (1), Tilgate (10) and Tonbridge (1).

Particular congratulations to **Isla Greenaway**, third woman at East Grinstead. Given the underfoot conditions everywhere, no surprise that there were no PBs.

Several of our runners faced disappointment, and some also wasted journeys, when the National XC Champs, on Saturday were abandoned the day before due to the muddy conditions affecting parking provision at the venue. Some were even more miffed when their alternative, the local parkrun, was cancelled at short notice due to slippery conditions. **Keith Chambers** explains his frustrations later ...

The most popular event on Sunday was the <u>Brighton Half Marathon</u>, with runners braving the strong coastal wind towards the end. I can find six Lingfield runners (including one second-claim member) among the 1,865 finishers, according to the provisional results. **Kieran Barnes** (running for Brighton and Hove AC) led them home, followed by **Jack Goldsmith**, having another fine run to finish in 1.23.33. Jack and Simon both achieved half marathon PBs at the race, so very well done for that. Marshall Smith of Ashford AC was first to finish in 1.07.17 and first woman was Cassie Thorp (City of Portsmouth) in 1.15.34. These are our finishing times:

| Posn. | Name | Chip time |
|-------|----------------|-----------|
| 13 | Kieran Barnes | 01:11:12 |
| 176 | Jack Goldsmith | 01:23:33 |
| 194 | Simon Petitt | 01:24:19 |
| 2396 | Tom Cartledge | 01:53:23 |
| 4468 | Andrew Senior | 02:04:45 |
| 4862 | Helen Samways | 02:05:07 |

I was driving home from Guildford past Newlands Corner on Sunday morning and noticed a 'Warning – Runners' sign as I approached. Little did I know that the event was the <u>North Downs Ridge 50k Trail Ultra</u> and that Lingfield's own **Mark Aldred** was one of the runners I needed to watch out for. So, I missed him speeding to the finish in 5.48.15, in 100th place of the 217 runners. Very well run, Mark. Noa Ohms (Casquette Rouge team) completed the race first in 3.38.48 and the first woman was Sophie Biggs (Stragglers) in 4.36.40.

A very different experience on Sunday for **Lisa Compton**, who ran round the streets of London, in the Run London Victoria Park Half Marathon. Lisa ran very well to finish in 1.51.04, first in her age category and 94th of 163 finishers. Race winner was James Local in 1.13.15 and first woman was Meagan Roecker in 1.28.08.

There are some amendments to the times for the first Grand Prix race of 2024, the <u>Tunbridge Wells Half Marathon</u> which <u>27</u> club members tackled. The final published results revealed all the chip timings and club affiliations, so here is a revised listing and revised GP points. Apologies for any anxiety I may have caused you last week.

Cross Country Updates

Not - The National Cross-Country Championships Saturday 24th February 2024 Keith Chambers

This time last week, six of us; Sally, Maggie, Theresa, Ian, Ian, and I were looking forward to Saturday and tackling the England National Cross Country Championships course at Weston Park, Telford. On Friday morning, accommodation booked, bags packed, club tent in the car,

we were ready to set off on the three-hour drive to the West Midlands. A last quick check on emails......

10:47: The ECCA very much regret to announce that despite every effort possible being made, we are unable to hold the National Championships at Weston Park on

Saturday. Thursday saw torrential rain for many hours, and much of the park including parking areas are underwater. Falling on already saturated ground, this made conditions impossible for parking. We have spent the last 24 hours exploring every possible alternative, but we have not been able to solve the parking issues.

A quick call to Sally, who had just heard the same news from her daughter, confirmed that the "Nationals" were off. Some of us were already in Telford and others packed and ready to go; at least we could do some Saturday parkrun tourism on instead.

Our accommodation was conveniently located within 400 metres of the parkrun start so, at 08:30 under chilly clear blue skies, we strolled over to the start area to find that parkrun too, had been cancelled, due to frosty and slippery conditions on the course.

Not deterred, we took matters into our own hands, walking and running around the park and a six mile out and back run along the Silkin Way, a paved equivalent of our Forest and Worth Ways. Later we walked the Silkin Way to explore Ironbridge Gorge and the swollen River Severn. The Sunday long run once again took us to the Silkin Way for a 10-miler accompanied here and there by other would-be Nationals XC runners.

The Senior Men's National was first held in 1876, and the Senior Women's event introduced in 1927; since then, the event has only been cancelled during the World War years and in 2021 due to Covid. Despite the National XC disappointment (and parkrun) a great weekend of activity and exploration.

No confirmed date yet, but the Nationals are being rescheduled for September 2024; at least it should be drier! Watch this space.

East Surrey Cross Country League – Lloyd Park – Saturday 2nd March 2:00pm

The final cross-country event of our season is a return to Lloyd Park for a combined Men's and Women's race. EA registration is not required for this event but wearing club colours is; so if you're available it would be great to see you.

Please contact Keith or Liz if you're interested; thank you. menscaptain@lingfieldrunningclub.co.uk

My Favourite Race This week, Paul Blackmore's choice

1. What was your favourite race, that you've participated in?

Mel's Milers 10k.

2. How many times did you do it?

Four times.

3. What made it special to you?

Three times I've been luckily enough to come away with a bottle of wine, for winning my age group.

Paul, with his Mel's Milers' 'Over-50' first prize

4. What were the distinguishing features of the race?

It's a lovely setting for the start, mixed terrain along the Downs Link, passing by Southwater lake at the turn and then back along the Downs Link, making it fairly flat. There's always loads of Lingfield runners for company, and it's a very friendly, chilled, well-run event.

5. Are you still entering it, each year? If not, why?

Yes, hope to be in 2024.

6. Any other comments about the race that you want to include?

One year I must have been going at a good pace because I was keeping up with Dan Oppe. All was going well until we headed back on the Downs Link and suddenly Dan shouted at me "You go on, last night's curry is coming back!"

Next week's article is the choice of Isla Greenaway

Weekly club runs

Gary Spring

Please bring headtorches and wear something bright for the evening Club Runs from now until the clocks go forward in April.

Easy-Pace Short Club Runs

From the survey we held last year, it was apparent that there was a demand from some members for this type of club run. We understand that dark cold evenings are not the most inviting times to go for a run, but if you're doing it with your running buddies, it can be a lot more fun.

So, now that we're over the recent cold spell of weather, please consider arranging to meet up again at the club and get back into the routine of a Tuesday or Thursday evening social

run, either at 6:30pm with Simon, or 7pm with Tom, myself or another club volunteer, all happy to take you round a shorter route at your own pace.

Thursday, 29th February

Road run up to Hollow Lane, Dormansland

Start Time 7pm, from the Victoria Club

Tom is focused on double-digit mile distances at the moment, for his upcoming marathon, so I'll be leading this run. We'll do the run from the club up to Beacon Hill. It is about 5 miles.

Tuesday, 5th March

Road run around Lingfield

Start Time 7pm, from the Victoria Club

We'll do the new two-lap route around the village, going down Godstone Road to the Nature Reserve and then up Bakers Lane and Vicarage Road. Distance is 5 miles.

Pre-London Pasta Party

Scott and Dee

Hello everyone, I hope you are well? It is getting close to the London Marathon and as a club we will be having our pre-marathon pasta night on Thursday 18th April 2024, 8pm at the Victoria Club.

On the menu will be a veg pasta and meat pasta with salad and garlic bread. Very kindly, Kellie from the Victoria Club advises me that she will keep to the same prices as last year: which are £10 for adults, £7.00 for children under 10 and £5 if under 6 years.

A licensed bar will be available as well (card and cash). You are welcome to bring friends, and family. We would prefer payment to be electronically into the club account with a reference of LRC Pasta night.

Please can payments be made no later than Sunday 14th April 2024.

This is so that Kellie can prepare the necessary catering, minimise any food wastage and keep costs low.

If attending please can you e mail me at Chair@lingfieldrunningclub.co.uk or respond to this message when it is on the club Facebook page.

Last year about 46 members had a great time at this event so please consider joining us.

Many thanks, Dee and Scott

Wednesday coaching sessions

Dave Worsell

We've ended the booking system for Wednesday evening coaching sessions, as few people bother to book these days.

In the coming winter months the venue will usually be 6.45pm at the Imberhorne School.

Please look on <u>Facebook</u> or the club website '<u>calendar</u>' on the day itself, for any session details and any changes in venue.

THE END
